Technical drawing of a door. The door features a large central panel with a dense, circular perforated pattern. A small, dark rectangular handle is positioned in the upper center of this panel. The door is framed by a simple border. At the bottom, a horizontal dimension line indicates a width of 600. The door is supported by four casters at the base, with two on each side.

Technical drawing of a rectangular frame. The vertical dimension is labeled 42U. The horizontal dimension is labeled 19" and 450. The drawing shows a double-line border with a dashed line inside, and a small 'a' label at the bottom right corner.

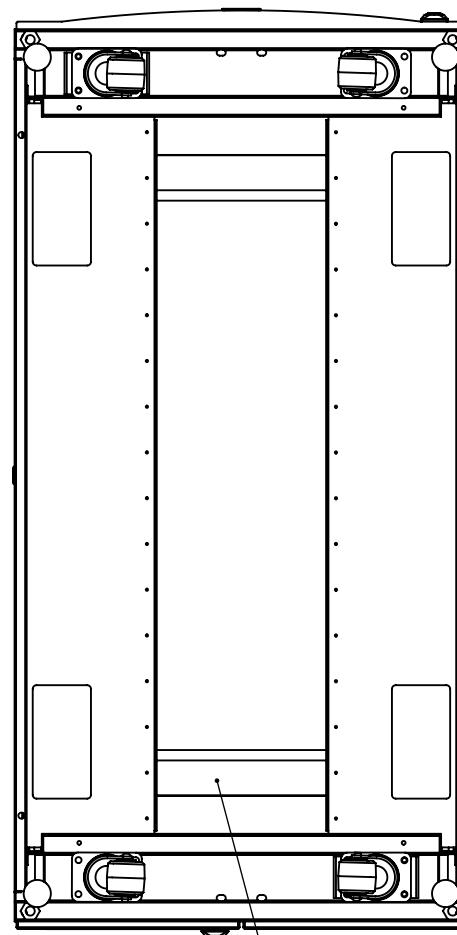

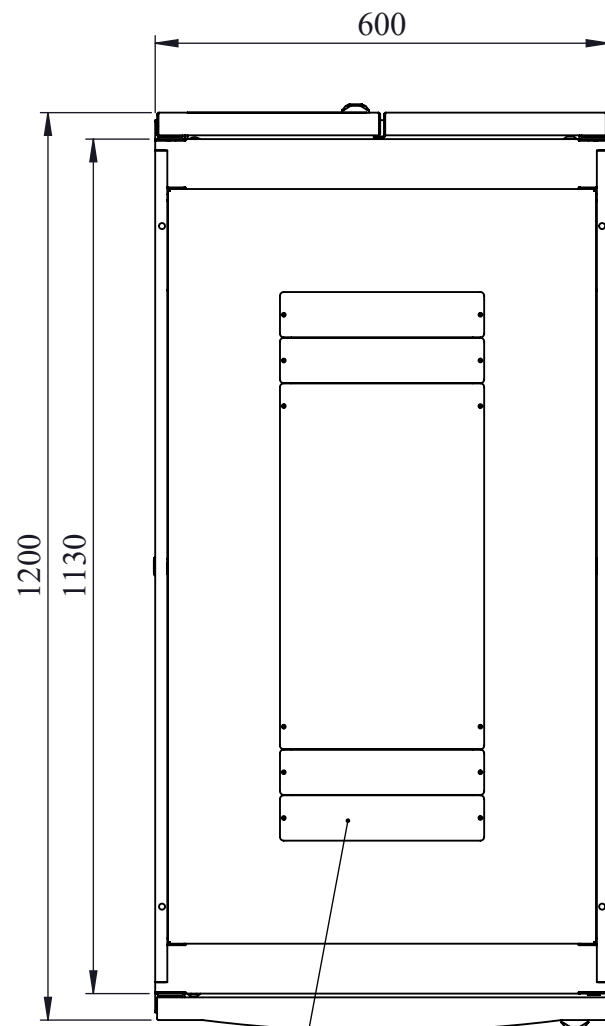

Technical drawing of a two-door refrigerator. The drawing shows a front view with two doors, each featuring a handle. The overall width is dimensioned as 1200, and the width of the main body (excluding the doors) is dimensioned as 1130. The drawing is a black and white line drawing.
